

It's time for Canada's super-rich to pay their fair share.

We, the undersigned residents of Canada, draw the attention of the House to the following:

- **THAT** Canada's super-rich are hiding more than \$300 billion in tax havens every year and using tax loopholes to avoid paying their fair share.
- **THAT** closing tax loopholes and shutting down tax havens would save Canadians more than \$16 billion every year.
- **THAT** this is money that could be invested in programs that make our economy work for the rest of us, not just the super-rich.

THEREFORE the Canadian government should close tax loopholes and shut down tax havens, and invest the income that generates in programs that make life more affordable for the rest of us.
