WINDSOR WEST UPDATE

November 2008

Dear Friends,

Veterans' Week, November 5 to 11, is a time for all Canadians to honour the selfless dedication of those who have served in times of war, military conflict and peace. We also honour those who continue to serve our country around the world. These men and women are upholding a noble Canadian tradition by taking an active role in bringing stability and peace to parts of the world that have seen turmoil and upheaval.

During Veterans' Week 2008, Canadians from coast to coast to coast will show pride and gratitude for our Veterans as events and activities take place across the country in their honour.

All Canadians, especially youth, are urged to take an active role in remembrance. There are many ways to get involved. Talk to a Veteran. Visit our cenotaph. Read a book on our Veterans' great sacrifices and achievements or attend the Remembrance Day ceremony. When Canadians participate in commemorative events, we take up the torch of remembrance. As a result, we can rest assured that future generations will continue to commemorate those who helped shape Canada as a nation.

Yours truly,

Brian Masse, MP  
(Windsor West)
